Bob and Ryne:

Ex. 5 Deliberative Process (DP)

I suggest looking at both documents side-by-side to see how I handled the latest round OECA comments. My comments to Helene Ambrosino's comments are in the second document.

Bob, if you approve of my final version, I would like to get it to Alyssa Gsell so OGC can take one last look before we move forward with adding the economics piece from TJ and moving into the FAR.
